## SFWMD/FSAWWA 2013 Annual Water Conservation Expo and Vendor Fair

# Improving Water Use Efficiency at Commercial and Institutional Facilities

*Friday, April 12, 2013  
8:00 a.m. - 4:30 p.m.*

*South Florida Water Management District  
3301 Gun Club Road  
West Palm Beach, Florida 33406*

American Water Works Association  
**AWWA FLORIDA**  
Florida's Water Professionals

*Thank you for participating in the 2013 Annual Water Conservation Expo and Vendor Fair!*

# WELCOME!

*This year's Expo focuses on water efficiency at commercial and institutional facilities. Facility management, maintenance, irrigation, landscape design, green building construction and certification, and utility conservation program professionals will learn about designing and executing water use efficiency initiatives that save both water and money.*

*Water conservation and sustainability experts with proven on-the-ground experience will discuss best management practices, available tools and technology, planning considerations and benefits of water use efficiency improvements. The Vendor Fair features conservation technology, hardware, innovative products and services to help meet water conservation objectives. Please take the time to visit the vendors and network with other industry professionals. Feel free to use the business card exchange table located in the lobby.*

*Continuing education credits are available to Florida Nursery Growers & Landscape Association (FNGLA) Certified Professionals for this event.*
